Dedication

Toby Van Alstyne has been a landmark in our community for the last fifty-nine years. During this time his lively wit and timely pictures have delighted both young and old. His support of area schools and his allegiance to the Tri-Point Chargers' athletic teams has been tremendous.

In appreciation of his well-wishes and concern, the 1979 Shield Staff gratefully dedicates this edition of the Shield to Mr. Louis A. "Toby" Van Alstyne. We sincerely hope that this shows our gratitude for the fantastic job he has done over the years for both our school and community.

Homecoming Week began with the Student Council designating "dress-up" days; Weird; Hat, Sunglasses, T-Shirt, and Sneakers; Fifties, and Backwards Day. "Sayings" was the theme of Friday's parade and the spirit carried through to that night when the Chargers rose victorious, (52-21) over Ford Central. The KG's Disco on Saturday night brought the festivities to a close.

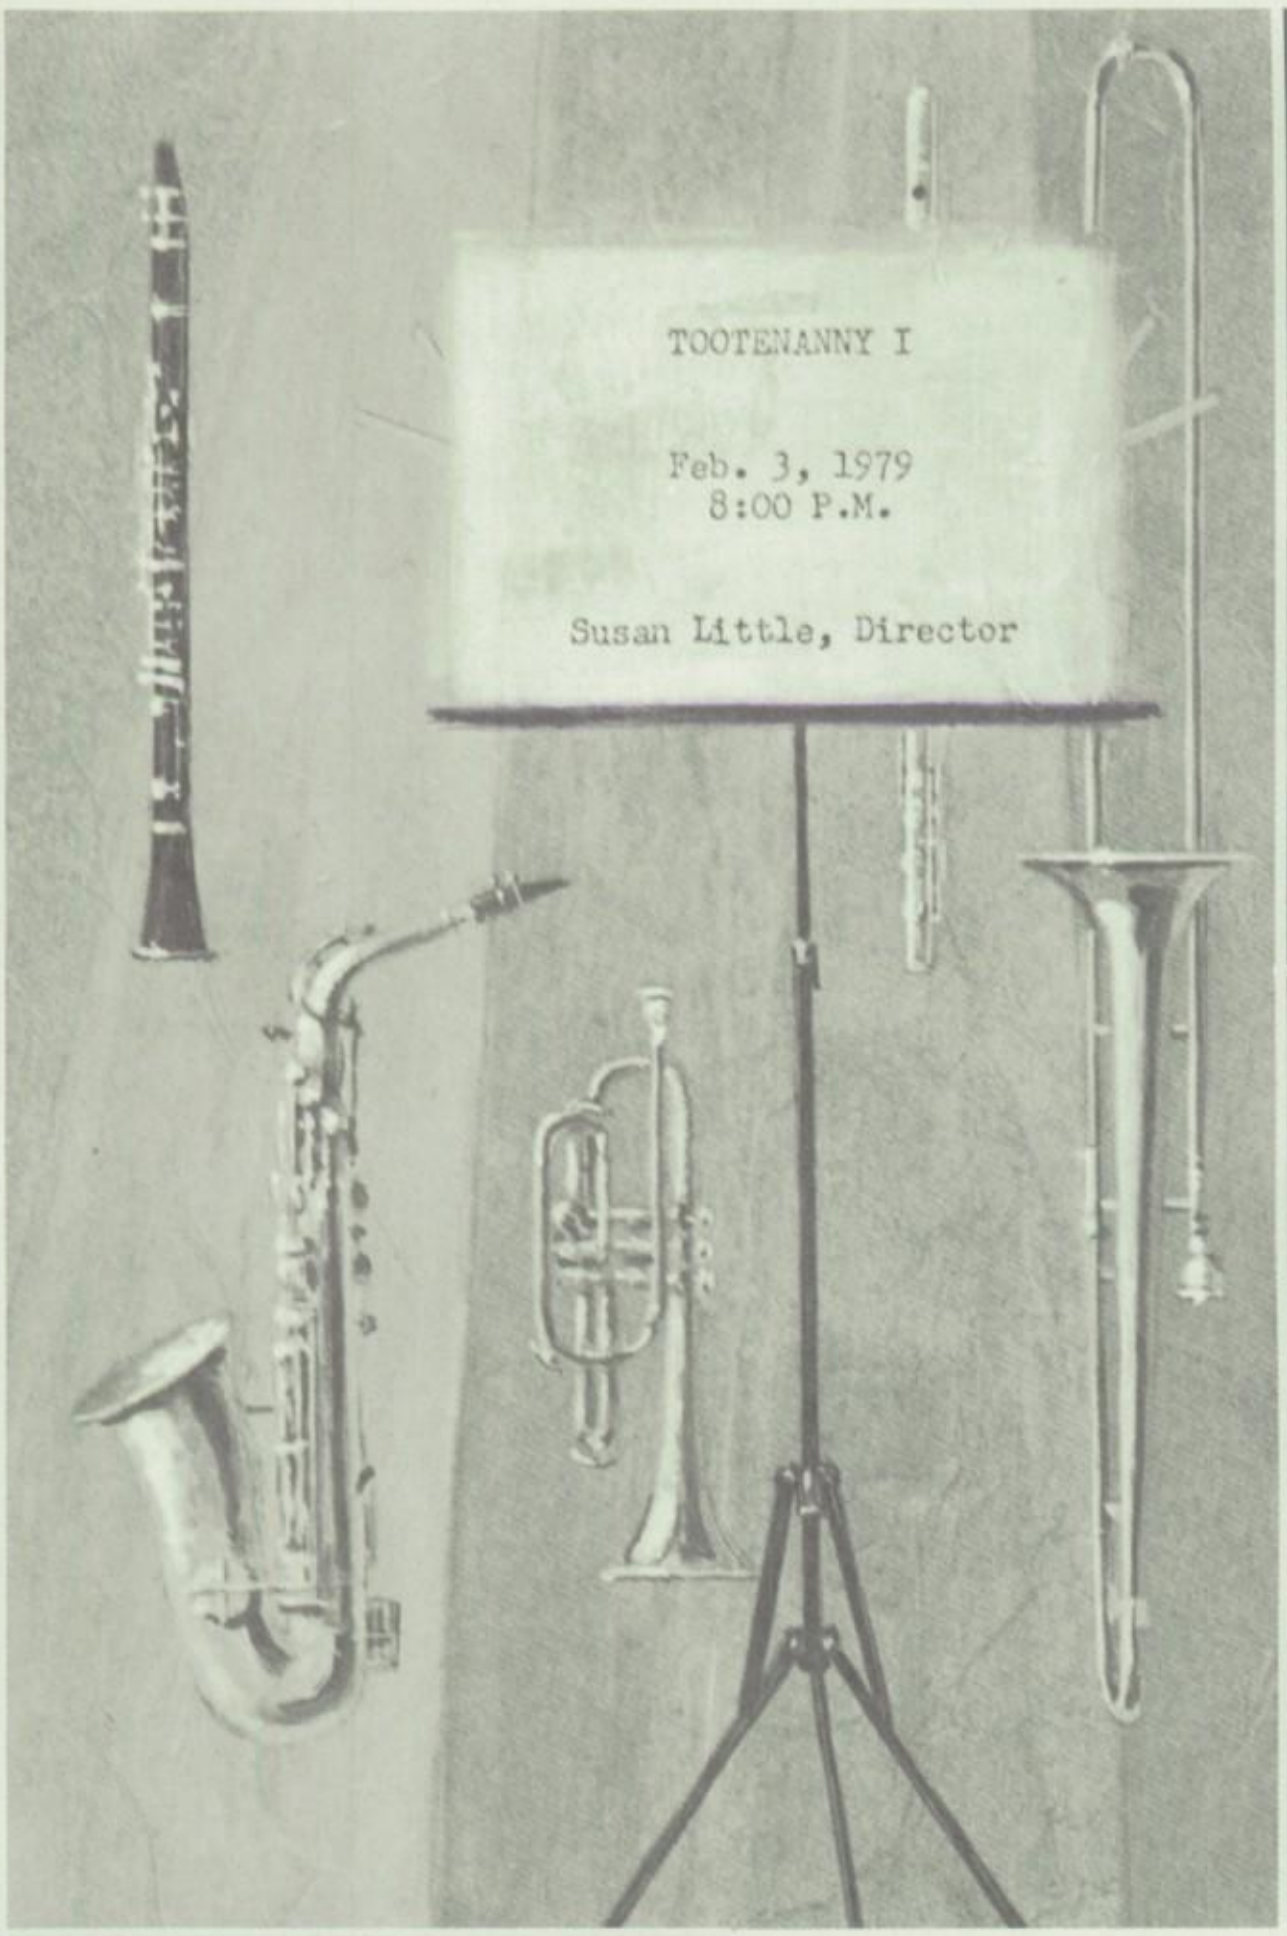
"There's a Song in the Air"



The Tri-Point High School Band gave its first concert performance February 3, "Tootenanny I," the first in a series of annual concerts. Student soloists, Ellen Perkins and Dan Butzirus, were featured in "Rainy Days and Mondays," and "I Write the Songs." A group of flappers performed to "Cabaret," and the flute section was featured in "Beguine For Flutes." Big Al and the Little Kids (a group of students backing up "Big Al" Mortensen of Dwight) sang "Do Lord," "Amazing Grace," and "He's Got the Whole World in His Hands." The evening closed with "The Battle Hymn of the Republic."

IN APPRECIATION

The 1979 Shield Staff wishes to express its deepest appreciation to Mrs. Gisela Schroeder for her twenty-five and a half years of service to our school. During her years, she taught typing, shorthand, accounting, and girls p.e. Mrs. Schroeder was at one time Junior Class sponsor, and has been yearbook advisor for twenty-three years.

Although the teacher and advisor can be replaced, Mrs. Schroeder the person and friend will always hold a special place in our hearts.

We wish Mrs. Schroeder the best of luck in the future and we want her to know that she will be greatly missed by the students and faculty of Tri-Point High.

I really enjoyed my new life in the United States. Here was not too different from Brazil, but I learned a lot of things that for me were new.

I really loved it here. When I have to go back to Brazil, I will have to go to the Navy for a whole year. I'll be busy there because after my short military life, I will live in Sao Paulo and attend the University of Mackenzie to become a Civil Engineer.

Life here was for me so wonderful and so full of experiences. Thanks to everybody. Keep working.

AFS

In November, the student AFS helped the adult club with a successful moneymaking Pancake and Sausage Breakfast. Many of the club members attended the Christmas party. A scavenger hunt was scheduled, but because of bad weather the hunt was cancelled.

The weekend of Jan. 11, 12, and 13 was the club's AFS weekend in which all the AFS students were invited.

The chapter received its first national award for their work in Roadsides for Wildlife and Pheasant Replenishments in the program BOAC. Only 28 FFA chapters received this award in the nation.

The FFA attends many contests through the year, such as Land Use, Grain Fair, Parliamentary Procedure, Ag Mechanics, Public Speaking, and many livestock judging contests.

Other activities were the Greenhand Initiation and Steak Banquet, the State and National Conventions, KCC Ag Bowl, Foundation Awards, and the Annual Spring Awards Banquet.

Mixed Chorus

The Tri-Point Mixed Chorus grew in size and activity during the year. After much preparation, they performed an enjoyable Christmas program featuring soloists, ensembles, swing choir, and the mixed chorus.

Fifteen soloists and six ensembles competed in a contest in March.

Accompanists this year included: Ellen Perkins, Leah Ann Taylor, Clayton Farley, and Sharon Haley on piano; Virgil Bell on electric bass, and Mark Mau on drums.

The Marching Chargers made their first appearance of the year in the Kempton Centennial parade on Sept. 10. Tom Kearns and Brenda Rieck were appointed drum major and majorette. The band and color corps performed at each of the four home football games, and the pom-pon squad attended a clinic in Joliet on Nov. 4.

The Marching Chargers brought home the first-place trophy from their division on Nov. 11 while representing Tri-Point in Northwestern's Homecoming parade.

The Charger Pep Band performed at pep rallies and home basketball games. The pom-pon squad and baton twirler, Tom Kearns, also performed at the home games.

The concert band participated in two clinics during the year. These workshops, conducted by Mr. Larry Little and Mr. Gary White, helped in the preparation for the group's pops concert. This production, entitled Tootenanny I, was presented Saturday, Feb. 3. It was complete with dancing girls, soloists, sing-alongs and was highlighted by the appearance of Big Al and the Little Kids, a gospel group consisting of eight band members and guest performer, Mr. Alan Mortensen.

The Saxophone section of the band participated in a clinic Feb. 10 at Ill. Wesleyan University. Solo and ensemble contest, held on March 3, gave individuals in the group a chance to compete with musicians from other area schools.

The band rounded out their performing year by giving a series of concerts at nearby schools and ended with "Horns-a-Plenty," their spring concert in May.

Kneeling: Bill Van Alstyne, Alan Metz, Rodney Loeschen, Tom Farley, Mike Johnson, Ron Murphy, David Cooper.

The 78-79 JV season was a frustrating one. With the loss of two sophomore starters (Keith Anderson moved up to varsity and Larry Lewin sitting out with a broken ankle) many freshmen saw plenty of action. Dave Malone led the team in field goals, free throws and rebounding. Pat Donoghue was the team leader in assists.

Chargers Go to State

A preview of what was going to develop for the 1978 Charger Baseball team occurred early in the spring when over 30 boys turned out for practice. Tri-Point had their earliest opening day of any season when they opened with Chatsworth on April 7 as many members of the team employed snow shovels to scoop snow off the field. This seemed to set a precedent as many numerous man hours were spent raking the field to dry it in time for the game in the afternoon. One league coach described Tri-Point's field, "like playing on top of a mountain; and as long as it doesn't rain, the game will be played."

The many hours of preparation of the field and in practice did not go to waste as the Chargers worked their way to the most successful season in the history of the school. The season started with snow shovels in hand and culminated in the Elite 8 at Springfield.

The team ended with a 20-1 season losing only to the state champion, Providence of New Lenox. The team earned recognition in a national publication, COLLEGIATE BASEBALL.

Aside from all the records that were set by this team, their main contribution was in showing what determination by a bunch of young people can do if they so desire.

*John Juergens was the Conference discus winner.

This year the team had an exceptionally young but talented team. Near the end of the season they were forced to cancel three meets due to the very wet spring. During the middle part of the season, they had one-fourth of the team out of action with the measles. In spite of these adversities, the team had a good, competitive season.
